

## European Early Career Researchers in Proteomics Virtual Event

21 June 2021, 2-5pm CEST

Meet the Young Proteomics Investigators Club and European Bioinformatics  
Community with the 2020 EuPA Vision and Commitment Awardees:

Dr. Maarten Dhaenens,  
Ghent University, Belgium

Dr. Dina Resetar Maslov  
University of Rijeka, Croatia

Dr. Viktoria Dorfer  
FHOOE, Austria

Dr. Marie Locard-Paulet  
University of Copenhagen,  
Denmark

Meet young talents from all over Europe...  
... and participate in the launch of the **EuPA networking corner!**

You are an ECR working in the field of proteomics, register at this event to :

- Honour the laureates of the EuPA 2020 Vision and Commitment Awards.
- Learn more about the activities of the Young Proteomics Investigators Club (YPIC) and the European Bioinformatics Community (EuBIC).
- Meet young European talents in proteomics.
- Network with your proteomics fellows and speed date with surprise senior guests.
- Participate in the launch of the *EuPA networking corner* on Gather.Town
